

## CPA SERVICES

If you like the idea of outsourcing your accounting, bookkeeping, payroll processing, and tax filings to an internet CPA firm, Gray Shadow Financial Services is your solution. No software to buy, no installations, no maintenance fees. Everything you need is provided through our website which is accessible to you anytime, anywhere.

### **For individuals:**

We can prepare federal and state income tax returns for residents in any state, coast to coast.

### **For businesses:**

We offer a full range of accounting, payroll, and tax solutions on an internet-based platform, and your reports can be accessed anytime, anywhere, 24/7.

### **Choose from two levels of service:**

**Complete service:** if you want the freedom to run your business instead of keeping the books, we will be your full-time accountant, tax preparer, and payroll service bureau.

**Selected Service:** prefer to manage some of your accounting processes but need to outsource some of them? Let us design a bundle of services to meet your needs. Use our web-hosted software and stop worrying about updates, back-ups, and expensive add-ons.
